

# Testing

If the User Credentials are incorrect then:

The image shows a 'Vendor's Login' form on a light blue background. The form is a white box with a blue border. At the top is an icon of a shop. Below it is the title 'Vendor's Login'. There are two input fields: 'User Id' with the value 'timrocks' and 'Password' with masked characters. A green 'Submit' button is below the password field. Below the button is a blue link 'Create an account'. At the bottom of the form, a red error message reads 'Invalid email or password'.
